About the Wineries:

*Sandhill Crane
Vineyards*

Family owned and operated, Sandhill Crane Vineyards uses only the finest local produce for their handcrafted wines, made right on the premises. Their winemaker is known for her wide range of clean, rich, complex wines. Made lovingly in small batches, the tasting list includes well-balanced acidic white wines, rich reds, flavorful fruit wines, and delicious sweet-tart dessert wines.

Come visit Southeast Michigan's oldest and largest commercial vineyard. They grow 12 world-class European grape varieties on a 25 acre site featuring beautiful south-facing hillsides with ideal soil conditions. Their vineyard is on the same latitude as the border of Southern France and Northern Spain, producing superior wine grapes.

For Over 100 Years four generations of Burtka's have been making wines in this country for the enjoyment of their family and friends. Nestled in the Irish Hills, minutes from several lakes and Michigan International Speedway, John & Denise Burtka have created a new destination for wine lovers. Based on their European roots, they built a boutique winery that makes award winning wines, using old world hand crafting.
