About the Wineries:

It was Mike Wells dream to own a vineyard and a winery. That dream became a reality in 2016 when he opened his doors to Black Fire Winery. They specialize in making special small batches of wine and like to keep the wine list constantly changing. Since he's been in business Black Fire Winery has been known for not only their quality wines, but their beers and ciders too.

Come visit Southeast Michigan's oldest and largest commercial vineyard. They grow 12 world-class European grape varieties on a 25 acre site featuring beautiful south-facing hillsides with ideal soil conditions. Their vineyard is on the same latitude as the border of Southern France and Northern Spain, producing superior wine grapes.

For Over 100 Years four generations of Burtka's have been making wines in this country for the enjoyment of their family and friends. Nestled in the Irish Hills, minutes from several lakes and Michigan International Speedway, John & Denise Burtka have created a new destination for wine lovers. Based on their European roots, they built a boutique winery that makes award winning wines, using old world hand crafting.
